

Make Your Mark Now

Have your child's name or that of a loved one engraved on a brick to be installed in the Coliseum Walkway.

If you do it now, it will be installed before Kindergarten begins. For years to come, your child will enjoy seeing their own brick every time they pass over the walkway on their way to PE class and on any return visits from middle school and beyond.

Proceeds help the John B. Gorrie Foundation fund such projects as:

- Technology for the classrooms
- Salary of the computer tech
- Playground equipment
- Suzuki violin equip/program
- Art and music enhancements
- MAGIC enrichment program
- Security fence around school
- Construction of and continued improvements to the multi-purpose John B. Gorrie Coliseum building.

Each purchase is 100% tax deductible.
